"A very nice relocatable home! "

This would have to be the best renovation we've seen in years!

Every effort has been made by this man to make this home practical & comfortable! There are built-in drawers & speakers, insulation throughout, complete re-build of the interior & exterior!

Down the back there's the really wide shed with workshop bench & power - the only thing that's not done is the carport over the car-space as the boat takes up the room.

As you can see by the pictures, this home is bright & modern & is worthy of your inspection.

The Clog Barn Holiday Park has received substantial investment over recent years - it has spotless amenities, sealed roads & all dwellings are up nice & high in case of heavy rainfall.

Halfway between the Plaza & the City Centre - this location is just right!
