Owner Says Sell! If you have the site, this is perfect!

The owner of this immaculate 4-year-old relocatable cabin has given me clear instruction to SELL!

The asking price is well below replacement cost.

The cabin must be relocated from its current site to your preferred location.

This is an opportunity not to be missed if you are looking for a "lock up and leave" option, granny flat in your backyard (STCA) even a holiday house on a bush block the options are endless!!

The cabin has been tastefully completed with superior fittings throughout, beautiful timber flooring, loads of storage, ceiling fans in both BRS, stylish plantation shutters, reverse cycle A/C in the living space complete with sliding doors opening onto a private undercover deck.

The owner is very motivated and will consider all reasonable offers.
