Family living in a quiet location

The Bibbulmun design is very popular among buyers with large kitchen, dining and living space plus 2 bedrooms and study making it easy to downsize. If blue is your colour, the kitchen will delight you; you can't help but smile at the beautiful ambience it creates in the living space. Follow the hallway down past the twin door study which opens onto the large lounge room to two more bedrooms, good size bathroom and separate laundry and toilet. The outdoor living space on this one is amazing, one of the biggest in the village and the space has been well used with large enclosed patio and plenty of room left over for creating a lovely garden. Tucked away in one of the shorter streets, this home offers privacy, comfort and space. Please call me now for a viewing.
