Banksia Grove Village - Site 123

This cute little home is in a great position in the village on the perimeter and overlooking nature reserve at the rear.

It has been very tastefully renovated with new modern flooring in the open plan kitchen/dining/lounge area, new carpet in the bedroom and new vertical blinds throughout.

It has a good size main bedroom with built-in wardrobes and an additional room adjacent, which would be perfect for a study or craft room.

The current owner has spared no expense and has installed a Brand New Daikin air-conditioner, Euromaid cooktop, external awnings, garden shed, security screens on windows and motion sensor lights in the carport. An additional bonus is the lovely enclosed sunroom out the back which gets the afternoon sun. This lovely home is a gem and at this price will not last long!
